# SPOTTED LANTERNFLY

## Informational Session

**Senator Mike Folmer along with Pennsylvania Agriculture Secretary Russell Redding**, invite you to a Spotted Lanternfly presentation. This educational event is designed to inform the community about the Spotted Lanternfly. Topics will include biology and life cycle, current distribution, impacts, spread and control methods. All in attendance will have the opportunity to share questions and concerns pertaining to the invasive species.

**Wednesday, April 3, 2019**

**6 PM**

**Myerstown Community  
Center Auditorium**

101 South Railroad Street, Myerstown, PA

**For more information, please contact  
Senator Folmer's Office at 717-787-5708.**

**Senator Mike Folmer  
48th District**
