

# ANNVILLE TOWNSHIP

ESTABLISHED 1912

36 North Lancaster Street  
Annville, PA. 17003

## Township Facilities Update – Coronavirus

Effective Tuesday March 17, 2020 in accordance to Governor Wolf's Order and Revised March 25, 2020

### Town Hall

The Township Office at Town Hall will be closed to the public through at least April 10, out of an abundance of caution for the safety of our employees and in keeping with Governor Wolf's directives. Payments and correspondence can be made by mail or through the drop slot at Town Hall; checks or money orders recommended. You can communicate with Township personnel via email at [info@annvilletwp.com](mailto:info@annvilletwp.com), voice mail at 717-867-4476, and fax at 717-867-0916. These provisions will continue to be evaluated by Township officials based upon community circumstances and State and Federal directions in order to determine future plans.

### Public Works

The Public Works Department, 675 West Main Street, Annville, PA., will operate under normal business hours. Self-service dumpsters will continue to be available; however, Public Works personnel will NOT provide assistance for the self-serve dumpsters. Please click here for a list of services. <https://annvilletwp.com/public-works/>. Contact the Township Office as listed above for questions about Public Works Services.

### Police Department

The Police Department lobby will remain open during our regular business hours: Monday – Friday from 8:00 AM – 4:00 PM. The police office is available at 717-867-2711 and [info@annvillepolice.com](mailto:info@annvillepolice.com). We will practice social distancing and will ask people to maintain a 6-foot distance from personnel and Officers. We are also suspending all in-house fingerprinting until the end of March.

The Police Department will continue to respond to all 911 calls for service. Some non-emergency calls may be handled by phone instead of an in-person response. If an Officer meets you in person, please do not be offended if they ask you to step outside and maintain a 6-foot safety distance. Officers may also ask you to step outside when they respond to your residence.

The Annville Fire Department (Union Hose & Annville-Cleona Fire District) and Life Lion EMS will respond to calls for service in Annville Township operating under their policy and protocols. <https://covid19.lcdes.org/>
