To: All Lebanon County Municipalities

From: Amy Mazzella di Bosco - Recycling Coordinator

Date: 1 November, 2023

Subject: Free Christmas Tree Recycling Program

It's that time of year again when Christmas trees will be picked up along with the trash...But once again the Greater Lebanon Refuse Authority will offer FREE Christmas tree disposal. As we continue to strengthen our recycling initiatives, the GLRA will once again recycle all Christmas trees. We will accept Christmas trees from December 26, 2023, through Saturday, February 17 2024 (trees from Lebanon County residents only).

In the past, Christmas trees have either come in with the trash and the GLRA employees have pulled them from the landfill, or the trees have come in as green waste on commercial trucks from municipalities. Lebanon County Licensed Haulers and Municipalities may bring in Christmas trees at no charge (FREE!) as long as the Christmas trees are brought in separate from the trash. The GLRA will accept Christmas trees by the truckloads at no cost as long as the trees are separate and decoration free--- No Trimmings, Please! Trees exceeding 10 feet in height must be cut in half.

It is required that you notify us with a letter to my attention by DECEMBER 31, 2023, if you will be participating in this special program. If you have any questions, concerns or comments, please contact me at (717) 867-5790 Ext. 307.

Have a very Merry, Safe, Healthy and Green Christmas!
