Dear Annville Township,

Please be informed that the Lebanon County annual Tire Collection event is scheduled for Wednesday May 1st, 2024, from 8am-4pm, contingent on trailer availability. Pre-registration forms will be sent in conjunction with this letter. This year we are also providing an online form that can be filled out after following the QR code.

The cost of tire disposal will be about the same as last year, with \$4 covering the disposal of auto tires and \$40 covering oversized (rim diameter measuring 25 inches or greater). This year we are adding a \$20 midsized category for tractor trailer tires. The Lebanon County Commissioners will provide each municipality with \$192 of funding, allowing approximately four individuals from each municipality to participate for free. This leaves a large gap between the funds available and the funds needed to dispose of tires in your municipality without cost to the individuals. Last year, 268 residents disposed of 2,655 automobile tires and 67 oversize tires, totaling over 57 tons of recycled tires. We anticipate participation will continue to increase over the upcoming years, making it particularly important that adequate funding is received to support the event.

Tires are the ultimate mosquito habitat. They provide shelter from predators and standing water and cannot be emptied easily. Disposing of unused tires is an important way the community can reduce the mosquito population and the threat of West Nile Virus. The more funds we have, the more tires we can dispose of, as many individuals will not pay for tire removal. I realize and respect that you must use your tax-payer's money wisely and I believe this public health initiative can be part of a responsible budget.

Please let the Conservation District know the funds your municipality will donate for the removal of tires by Friday, February 16th. I believe this will strongly incentivize more residents to recycle their tires. All funds will be accounted for with the resident's name and address to confirm residency of those participating in your municipality. We will only send an invoice once residency is confirmed for all participating citizens. If you would like to schedule a meeting to discuss the tire collection or our program, I would be more than happy to meet.

Additionally, we will happily recycle any tires your municipality has gathered over the year as long as your municipality provides the funds to dispose of them. **Please let me know by Friday, February 16th, 2024 if you plan to do this. Please do NOT distribute pre-registration forms UNTIL Tuesday, February 20th, 2024 and the Conservation District is aware of any tires your municipality is bringing.**

Thank you,

Lydia Mohn

Pre-Registration Form

Lebanon Tire Collection - Lebanon Expo Center

May 1st from 8 a.m. to 4 p.m.

80 Rocherty Road Lebanon, PA 17042

The collection is open to Lebanon County Residents. Please bring proof of address- driver's license, phone bill, etc. Out-of-county persons or tire related businesses must pay for all tires they dispose of at the collection. 10 auto, 2 midsized (tractor trailer), or 1 oversized (≥25 in. diameter) tire can be collected for free, so long as funds are available in an individual's municipality. Individuals will be charged after municipality funds are depleted. PRE-REGISTRATION opens Tuesday, February 20th, 2024, and closes Monday, April 15th, 2024.

Please fill out the form and email it to Lydia.mohn@lccd.org For questions or verbal registration, please call 717-277-5275. You may also register by scanning the QR code on the right bottom corner, or by visiting our website at www.lccd.org/mosquito-borne-disease-program
